The screenshot displays the WIPO eMadrid interface. At the top left is the WIPO logo and a navigation menu. The top right contains utility links for Help, English, a home icon, a user profile icon, and the name 'Francesca Fusco'. Below the navigation is a breadcrumb trail: Home > Madrid System > eMadrid. The main header features a blue network graphic and the title 'eMadrid: File an Application for an International Trademark Registration'. A horizontal menu below the header includes 'eMadrid home', 'File an application' (circled in red), 'Manage your trademarks', and 'Find & monitor'. The main content area provides instructions: 'Tools to prepare and submit your application for an international trademark registration, and to respond to irregularity notices from WIPO.' It features a highlighted box with the text 'Use the Application Assistant to prepare your application' and a blue button labeled 'Start a new application'. Below this, a section titled 'Tools to help you file your application' contains four cards: 1) 'Find out how and where you can use the Madrid System to protect your trademarks' with a 'Simulate an application' button; 2) 'Estimate the cost of filing an application and managing an international trademark registration' with a 'Calculate your fees' button; 3) 'Learn about the laws and procedures of the intellectual property Offices of Madrid System Members' with a 'Consult Member profiles' button; and 4) 'Select from thousands of terms to build and check a list of goods and services that your international trademark registration will cover' with 'Build goods & services' and 'Explore goods & services' buttons.
