Your Excellency,

On behalf of the Government of the Republic of Kazakhstan I extend to you my high appreciation of the leading role of the World Intellectual Property Organization (WIPO) as the most authoritative international organization in the development of intellectual property.

As you know, Kazakhstan joined the WIPO in 1993 by signing its statutory documents. Since then, it has actively interacted with the WIPO Secretariat and participated in the various meetings of the WIPO Standing Committees.

Willing to contribute to the WIPO's further work, the Kazakhstan's Government proposes the candidacy of Mrs. Saule Tlevlessova to participate in the coming elections for the position of the WIPO Director General.

Mrs. Saule Tlevlessova has been the President of the Eurasian Patent Organization's Office (EPO) since February 2016. Under her leadership EPO has achieved significant results in the development and promotion of the Eurasian patent system.

Besides that Mrs. Saule Tlevlessova possesses many years of leadership experience in the WIPO Secretariat; she is also fluent in English, French and Russian languages.

Therefore it is my honor to recommend Mrs. Saule Tlevlessova's candidacy by taking into account her rich expertise and professional experience in the intellectual property field which will facilitate effective management of the WIPO's activity in the position of the Director General.

Sincerely yours,
