1. In what formats does your Office/Organization ingest applications? Please select all that apply.

PDF

XML in WIPO ST.36 / 66 / 86

Paper

Comments:

2. How does your Office/Organization capture markups (insertions, deletions) in amendments, corrections, and rectifications? Please select all that apply.

Applicant submits amendments with track changes to show insertions and deletions

Applicant submits amendments with underlines for insertions, and strikethroughs for deletions

Applicant submits clean copy of the amendments

XML in WIPO ST.96

Comments:

3. Does your Office/Organization provide initial content-based validations to applicants prior to submission to reduce the number of formality non-compliances?

Yes

Comments:

4. What does your Office/Organization validate prior to submission? Please select all that apply.

Missing required application parts

Comments:

5. Metadata Scrubbing

Does your Office/Organization provide a scrubbing tool to remove unwanted metadata from the documents prior to submission?

No

If yes, which types of metadata are removed?

6. Does your Office/Organization provide a feedback document, additional document or online messages during the filing process detailing potential problems within the submitted application documents based on the above validations?

Yes

Comments:

7. What does your Office/Organization consider the authoritative copy of the submission?

Comments:

8. If your Office/Organization converts or plans to convert the submitted document to XML, in which format would you preserve embedded images? Please select all that apply.

JPEG

Other (specify): Trademarks can be submitted in other formats, such as MP3 AND MP4

Comments:

9. When the submitted document is transformed to XML, in what format does your Office/Organization preserve mathematical equations?

Converted to an image format

Converted to an image format

Comments:

11. When the submitted document is transformed to XML, in what format does your Office/Organization preserve table or tabular data? Please select all that apply.

Converted to an image format

Comments:

12. Is your Office/Organization moving away from paper-based rules for applicant submissions, such as page count, margins line spacing and focus more on the amount of characters/words in a document or file size?

We have already implemented it

Comments:

13. If your Office/Organization is not considering moving away from paper-based rules, select the presentation elements your Office/Organization needs to preserve from the submitted application documents. Please select all that apply.

Comments:

14. Select the formats by which your Office/Organization displays or would display an application for examination or administration purposes. Select all that apply.

Other (specify): All applications are being handled in appropriate software regardless the submission form

Comments:

15. Select the formats which your Office/Organization uses or would use to publish documents submitted by applicants.

Originally submitted format using an appropriate software application

Converted format used by our Office/Organization

Rendered XML

Comments:

16. Specify the content management system your Office/Organization uses to store and manage documents. Please provide either names of commercial products or brief description of custom-built systems.

A recently developed patent administration system (back office) is currently in place to process, store, compile documents of national patent applications and patents, European patents and supplementary protection applications and certificates, to edit the data and to publish it in the SPB online databases and in the Official Gazette accordingly. The system includes the administration of all possible processes from the filing of the application to the expiry of the patent or supplementary protection certificate.

17. In what formats do you publish your Official Gazette? Select all that apply.

Electronic format with paper-based layout (e.g. PDF)

Comments:

18. If you still publish in a physical format, are you considering discontinuing physical publication within the next five years?

Comments:

19. If you still publish in an electronic format with paper-based layout (e.g. PDF), are you considering discontinuing this format in favor of a purely digital format within the next five years?

No

Comments:

4. Thank You!
