

1. Identification page

Please enter the ST.3 code and name of the member state or international organization you represent.

SK - Slovakia

Please enter the name of the office or organization you represent. For instance, Canadian Intellectual Property Office. If your organization name is the same as your ST.3 code name, you may put "n/a".

Intellectual Property Office of Slovak Republic

Please enter your email address so we can contact you if we have questions about your response.

2. Questions page

1. In what formats does your Office/Organization ingest applications? Please select all that apply.

PDF

Microsoft Word DOCX (free form, no template)

Paper

Other (specify): XML from office electronic form, EPO online filing

Comments:

2. How does your Office/Organization capture markups (insertions, deletions) in amendments, corrections, and rectifications? Please select all that apply.

Other (specify): Applicant submits new clean application documents, and Office uses a DOCX comparison tool to compare and markup changes. The new clean specifications filed by the applicant are the latest (final) version

Comments:

3. Does your Office/Organization provide initial content-based validations to applicants prior to submission to reduce the number of formality non-compliances?

No

Comments:

4. What does your Office/Organization validate prior to submission? Please select all that apply.

Missing required application parts

Comments: in an electronic forms and EPO online filing

5. Metadata Scrubbing

Does your Office/Organization provide a scrubbing tool to remove unwanted metadata from the documents prior to submission?

No

If yes, which types of metadata are removed?

6. Does your Office/Organization provide a feedback document, additional document or online messages during the filing

process detailing potential problems within the submitted application documents based on the above validations?

No

Comments:

7. What does your Office/Organization consider the authoritative copy of the submission?

Originally submitted application documents

Comments:

8. If your Office/Organization converts or plans to convert the submitted document to XML, in which format would you preserve embedded images? Please select all that apply.

Comments:

9. When the submitted document is transformed to XML, in what format does your Office/Organization preserve mathematical equations?

10. When the submitted document is transformed to XML, in what format does your Office/Organization preserve chemical formulae?

Comments:

11. When the submitted document is transformed to XML, in what format does your Office/Organization preserve table or tabular data? Please select all that apply.

Comments:

12. Is your Office/Organization moving away from paper-based rules for applicant submissions, such as page count, margins line spacing and focus more on the amount of characters/words in a document or file size?

We are not considering it

Comments:

13. If your Office/Organization is not considering moving away from paper-based rules, select the presentation elements your Office/Organization needs to preserve from the submitted application documents. Please select all that apply.

Page count

Page dimensions

Margins

Line spacing

Text and background colors

Comments:
