Content and Functionalities of Systems for Providing Access to Publicly Available Patent Information (PAPI)

GLOSSARY

Publication – In line with Part 8 of the WIPO Handbook, the terms "publication" and "published" are used in the sense of making available:
- a patent document to the public for inspection or supplying a copy on request;
- multiple copies of a patent document produced on, or by, any medium (e.g., paper, film, magnetic tape or disc, optical disc, online database, computer network, etc.).

Legal status information – information about events that may affect the grant, scope, term, ownership, or other legal aspects of a patent or patent application.
