### Registration at e-INPI

Published on 04/10/2015 17:07 Updated on 08/18/2023 08:52

Share:     

Welcome to the beginning of the journey of using the services provided by INPI. Registering in the e-INPI System, with the creation of your login and password for personal and non-transferable use, is essential for you to have access to the systems for issuing the Federal Collection Guide (GRU), electronic petitioning, procedural monitoring and electronic viewing of petitions.

As stated in the Term of Adhesion to the e-INPI System, "the electronic industrial property management system, called e-INPI, is an electronic system that allows INPI users, directly or through their attorneys, to demand services and carry out procedural acts that depend on a written petition, through specific electronic forms, using the internet".

Please note that, at this stage, you will need to provide your personal data, which will be protected in accordance with the [Personal Data Processing](#) guidelines provided by INPI.

Are you a new user? Click on one of the links below to register with e-INPI.

**Client - Individual or legal entity domiciled in the country that does not have an attorney**

- If you are the interested party and wish to register to create a login and password, [register here](#) .

**Lawyer or Individual with a power of attorney to represent a client in the requested services**

- If you are a Lawyer or Individual with a power of attorney to represent a client with the INPI, [register here](#) .

## Read the terms and accept to proceed

 BRAZIL      Access to information

**INPI** INSTITUTO NACIONAL DA PROPRIEDADE INDUSTRIAL

**GRU** GUIA DE RECOLHIMENTO DA UNIÃO

**Attention!**

Before registering in the e-inpi system, carefully read the conditions established in this Term of Adhesion, which must be known to you and prior acceptance.

When accessing the e-inpi system, the user is aware that they will be adhering to the conditions of use of the Term of Adhesion and will be subject to the current legal regulations and the conditions of use established below.

TERMO DE ADESÃO AO SISTEMA e-INPI

CLÁUSULA PRIMEIRA - DA DEFINIÇÃO DO SISTEMA, DO OBJETIVO, DO USUÁRIO

1.1. O sistema eletrônico de gestão de propriedade industrial, denominado e-INPI é um sistema eletrônico que permitirá aos USUÁRIOS do INPI, diretamente ou por intermédio de seus procuradores, demandarem serviços e praticarem atos processuais que dependam de petição escrita, por meio de formulários eletrônicos próprios, fazendo uso da 'Internet'.

1.2. O sistema e-INPI, a sua marca e a sua operacionalidade, pertencem ao Instituto Nacional da Propriedade Industrial, Autarquia Federal, criada em 1970, vinculada ao Ministério do Desenvolvimento, Indústria e Comércio Exterior, doravante denominado apenas como INPI.

1.3. O objetivo do e-INPI é permitir, progressivamente, a disponibilização em ambiente virtual dos serviços prestados pelo INPI, de forma a lhe proporcionar maior

## Fill out the registration form and confirm to complete

 BRAZIL
Access to information

**Attention!**

We recommend filling in all fields so that we can contact you as soon as possible when necessary.

The password must be personal and confidential, containing a minimum of six and a maximum of 10 characters, and may contain letters and numbers or both, without spaces. Do not use special characters such as &, !, %, ?, hyphens or quotation marks. The system differentiates between uppercase and lowercase letters when registering the login and password. For security reasons, it is recommended to change your password periodically.

## Access the “Trademark” module (Marca)

The screenshot shows the INPI Database Query interface. At the top, there is a navigation bar with the following elements: a Brazilian flag icon and the text "BRAZIL", "Access to information", "Participate", "services", "Legislation", and "Channels". Below this is a blue header with the text "National Institute of Industrial property" and "Ministry of Economy". The main content area is titled "INPI Database Query" and includes a "[ Help? | Login:  ]" link. The main content area is divided into two columns of icons and text:

	Marca		Patente
	Desenho Industrial		Indicação Geográfica
	Programa de Computador		Topografia de Circuito Integrado
	Transferência de Tecnologia		Informação Tecnológica de Patentes

### NOTE:

- For legal purposes, the Electronic Industrial Property Magazine (RPI) is the only channel intended to publish acts, orders and decisions related to the activities of the Authority.
- The collection contained in the database is restricted to documents published from the year 2000 onwards, and from October 2009 onwards for technology contracts, whose data were officially published in the Industrial Property Magazine.
