	for each additional design	7

<sup>1</sup> [WIPO Note]: Recommendation adopted by the Assembly of the Hague Union:

“Contracting Parties that make, or that have made, a declaration under Article 7(2) of the 1999 Act or under Rule 36(1) of the Common Regulations are encouraged to indicate, in that declaration or in a new declaration, that for international applications filed by applicants whose sole entitlement is a connection with a Least Developed Country, in accordance with the list established by the United Nations, or with an intergovernmental organization the majority of whose member States are Least Developed Countries, the individual fee payable with respect to their designation is reduced to 10 per cent of the fixed amount (rounded, where appropriate, to the nearest full figure). Those Contracting Parties are further encouraged to indicate that the reduction also applies in respect of an international application filed by an applicant whose entitlement is not solely a connection with such an intergovernmental organization, provided that any other entitlement of the applicant is a connection with a Contracting Party which is a Least Developed Country or, if not a Least Developed Country, is a member State of that intergovernmental organization and the international application is governed exclusively by the 1999 Act.”

<sup>2</sup> For designs belonging to classes 1, 2, 3, 5, 9, 11 or 19 of the Locarno classification, level 3 of the standard designation fee applies in respect of a designation of the Republic of Korea. For designs belonging to any other class, the individual designation fee applies.
