Sixty-Third Series of Meetings Geneva, July 14 to 22, 2022

NEW ELECTORAL CYCLE OF OFFICERS OF WIPO ASSEMBLIES AND OTHER BODIES OF THE MEMBER STATES OF WIPO

Document prepared by the Secretariat

INTRODUCTION

1. Building upon the experience with the electoral cycle for officers of the General Assembly of the World Intellectual Property Organization (WIPO), the present document contains a proposal to align the electoral cycle for the remainder of the officers of the Assemblies of the Member States of WIPO (WIPO Assemblies) and other bodies of the Member States of WIPO with that of the WIPO General Assembly by amending Rule 9(2) of the WIPO General Rules of Procedure. In doing so, the officers' terms of office will begin, as is the case with the officers of the WIPO General Assembly, following the final meeting of the session during which they were elected.
2. It is further proposed to seize this opportunity to modernize the WIPO General Rules of Procedure, as well as the Special Rules of Procedure of the Governing Bodies of WIPO and of the Unions Administered by WIPO (Special Rules of Procedure), in specific, selected points that do not alter the substance of the rules themselves (e.g., gender-neutral language, update of terminology, deletion of obsolete references).
3. Currently, officers begin their terms of office immediately after their election in accordance with Rule 9(2) of the WIPO General Rules of Procedure (General Rules of Procedure).

4. This approach differs from the electoral cycle in place for the officers of the WIPO General Assembly. These officers begin their terms of office, in accordance with Rule 6 of the Special Rules of Procedure of the WIPO General Assembly, following the final meeting of the session during which they were elected. The aforementioned rule was introduced through a consensus decision taken by the WIPO General Assembly in 2016 (see document WO/GA/48/17, paragraphs 17 and 18). With the benefit of nearly six years of experience with this shift in election cycle, it is considered that the shift has proven to be a successful one, the benefits of which are now proposed to be replicated throughout the bodies of WIPO Member States.

RATIONALE FOR A NEW ELECTORAL CYCLE OF OFFICERS

5. The rationale for the proposed change to the electoral cycle is based upon the same justification that was discussed in the context of the decision taken by the WIPO General Assembly in 2016 (see document WO/GA/48/17 paragraphs 17 and 18), and which applies equally to other officer elections.

6. First and foremost, such a change would allow the officers of the relevant bodies the necessary time to efficiently and effectively prepare the respective meetings, and to have more time to familiarize themselves with the often highly technical issues under consideration.

7. The additional preparation time for officers would also facilitate consensus-building, providing additional time for any necessary consultations, and result in more effective and efficient meetings.

8. Finally, the two different legal frameworks for the election of officers at the WIPO Assemblies described above, which currently exist in parallel, would be streamlined into one consistent, electoral cycle for all officers, thus simplifying and making more coherent the governance structure of WIPO.

IMPLICATION REGARDING OFFICERS' TERMS OF OFFICE

9. If the proposed decision to change the electoral cycle of the remainder of the officers is adopted by the 2022 WIPO Assemblies, it will not affect the terms of office of those officers to be elected at the start of the 2022 WIPO Assemblies. They will begin their terms of office, as usual, immediately upon their election. All officers to be elected subsequently thereafter, that is, *after* the closing of the 2022 WIPO Assemblies, would be affected by the proposed change in the electoral cycle.

10. The following table indicates the beginning and the end of the terms of office for officers that were elected at the WIPO Assemblies in 2021, or will be elected, in 2022 and 2023, respectively.

	Year of election	Beginning of terms of office	End of terms of office
Current Rule	Officers elected at the 2021 WIPO Assemblies	Officers elected in 2021 began their terms of office immediately upon election, i.e., at the start of the session of the WIPO Assemblies, with the notable exception of the Chair and Vice-Chairs of the WIPO General Assembly, whose election cycles were changed in 2016, as recalled above.	Officers of the Coordination Committee and of the Paris and Berne Executive Committees, who serve one-year terms, will conclude their terms with the election of new officers at the 2022 WIPO Assemblies ¹ Officers of other Assemblies or bodies, who serve two-year terms, will conclude their terms at the close of the 2023 WIPO Assemblies ²
	Officers to be elected at the 2022 WIPO Assemblies	The only officers to be elected in 2022 are the officers of the Coordination Committee and of the Paris and Berne Executive Committees, who will begin their terms, consistent with the current General Rule of Procedure, immediately after their election; i.e., at the start of the session of the 2022 WIPO Assemblies	The officers of the Coordination Committee and of the Paris and Berne Executive Committees, who serve one-year terms, will conclude their terms at the close of the 2023 WIPO Assemblies ³
Proposed Rule	Officers to be elected at 2023 WIPO Assemblies	Following the final meeting of the 2023 WIPO Assemblies session.	Officers of the Coordination Committee and the Paris and Berne Executive Committees: Closing of the 2024 WIPO Assemblies Officers of other Assemblies or bodies: Closing of the 2025 WIPO Assemblies.

¹ Assuming that the decision proposed in this working document is adopted, such decision regarding the change of the electoral cycle would only enter into force after the closing of the 2022 WIPO Assemblies.

² One-time extension of the terms of office in the transition period because officers elected at the 2023 WIPO Assemblies will start their terms of office after the closing of the session only.

³ One-time extension of the terms of office in the transition period because officers elected at the 2023 WIPO Assemblies will start their terms of office after the closing of the session only.

PROPOSED DECISION

11. In order to change the electoral cycle as proposed above, the same approach, *mutatis mutandis*, that was pursued in 2016 for the change of the electoral cycle of the WIPO General Assembly officers would be followed. That is, a decision would be taken by the Assemblies of WIPO, each as far as it is concerned, in accordance with Rule 56 of the General Rules of Procedure, regarding:

- (1) The amendment of Rule 9(2) of the General Rules of Procedure; and
- (2) The one-time extension of the terms of office of the incumbent officers at the 2022 WIPO Assemblies, elected under the current Rule 9(2), to bridge the otherwise existing gap between the end of their terms of office with that of the start of the terms of office for new officers elected in 2023 under the proposed new rule.

12. In this context, it is also an opportune moment to amend the General Rules of Procedure and the Special Rules of Procedure with gender-neutral language (e.g., employing the use of the term “Chair” instead of “Chairman” in the English language version, and relevant changes in the other language versions, as required).

13. Furthermore, it is proposed to amend Rule 2 of the General Rules of Procedure, updating the definition of “body” by including bodies that came into existence after the last amendment of the General Rules of Procedure of October 2, 1979, and deleting those that have since ceased to exist, and removing the references to the United International Bureaux for the Protection of Intellectual Property (BIRPI) and to the Director thereof.

14. It is also proposed that other obsolete references be removed, namely:

(a) Those to “associate members” throughout the respective Special Rules of Procedure of the WIPO Coordination Committee, the Paris Union Executive Committee, and the Berne Union Executive Committee. As a consequence of the discontinuation of the Conference of Representatives of the Paris Union and of the Conference of Representatives of the Berne Union,⁴ the category of “associate member” no longer exists. The references to “associate members” in the Special Rules of Procedure have therefore ceased to apply, and the text of the provisions have required revision accordingly, the opportunity for which is now similarly timely.

(b) Those to the reviews *La Propriété industrielle*, *Industrial Property*, *Le Droit d'Auteur*, *Copyright*, and *Les Marques internationales*, in reference to the publication of the respective reports in the Special Rules of Procedure of the Assemblies and bodies of WIPO concerned, as these periodicals were discontinued in the 1990s. The reference to the periodicals is replaced by one to the WIPO website.

(c) Those to “letter, note or telegram” in relation to the accreditation of Delegations and Observers, in Rules 7 and 8 of the General Rules of Procedure, respectively.

⁴ See document A/35/15, paragraphs 135 and 136.

15. The proposed amendments are reproduced in the Annexes to the present document. Proposed additions and deletions are indicated in Annex I. A clean version of the proposed amended provisions appears in Annex II.

16. *The Assemblies of WIPO, each as far as it is concerned, are invited to take a decision:*

(i) to modify the electoral cycle of the officers (Chair and two Vice-Chairs) stipulated in Rule 9(2) of the General Rules of Procedure, such that their terms of office begin following the final meeting of the session during which they were elected;

(ii) to facilitate the transition to the new electoral cycle, so that the incumbent officers at this 2022 WIPO Assemblies will preside over their respective meetings during the 2023 WIPO Assemblies;

(iii) to adopt the amendments of the respective General Rules of Procedure and Special Rules of Procedure, as set forth in the Annexes to document A/63/5 Rev., implementing the decision listed in (i), and the proposed changes described in paragraphs 12 to 14.
