Registration of the International Patent

The registration includes neither the response to the significant objections raised to the office of the United States Patent and Trademark Office (USPTO), nor the protest of any third party raised against the application of the right to the trademark. This form is solely the offer for the concluding of the contract, being the year registration of your international patent application in our internet database. Applicant in the sense of the provision § 275 para 4 law no. 513/1991 Coll., Commercial Code, accepts this motion of Provider to the concluding of the contractual relationship by the execution of the non-cash settlement of the annual registration price to the account of Provider. To access the database, identify the offer number. The access shall be activated in 7 days from the crediting of the payment to our account. By the settlement of the price Applicant agrees that the contractual relationship shall be governed by the company general terms of business, specified on the second page of this application; the issues not modified by these terms shall be governed by the law no. 513/1991 Coll., Commercial Code. By the acceptance of this motion Applicant hereby declares to familiarize himself with the General Terms of Business and to read them; furthermore, he declares to agree with their wording.
