Re.: C.SCIT 2388 - Supplementary Correction Codes

Dear Mr. Takagi,

In response to WIPO Circular PCIPI 2388 of August 28, 1998, I would like to inform the International Bureau that our Office prefers the solution (B) of the proposals made in document SCIT/WG/1/7, because in the past we used code "A8" for republication of patents transferred from the former Yugoslavia, and the use of supplementary correction codes when citing corrected patent documents would eliminate possible misinterpretation.

Yours sincerely,

Milan Stupica  
Counsellor to the Government
