

Questionnaire on the Implementation of Paragraph 12(a) of WIPO Standard ST.10/C

Name of the Reporting Office/ Organization	RU (ST.3 two-letter country/organization code) <i>Federal Service for Intellectual Property, Patents and Trademarks(Rospatent)</i>
---	--

Paragraph 12(a) of WIPO Standard ST.10/C sets out the following recommendation:

“12. (a) In order to improve the quality of patent family data and to avoid confusion in the presentation of priority application numbers, the following recommendations are made:

Industrial property offices (IPOs) should always provide priority application number complying with “Recommended Presentation in Abbreviated Form as a Priority Application Number” given in the Appendix to the Standard ST.10/C when presenting the application number of a patent document in the notification of the first filing and in the certificate of priority. The “Recommended Presentation in Abbreviated Form as a Priority Application Number” should be presented with the Standard ST.3 code (preferably in a specified line or column along with the title “The country code (in case of the international organization, ‘The organization code’) and number of your priority application, to be used for filing abroad under the Paris Convention, is”) to be easily recognized as priority number by other IPOs and applicants.

Example of presentation of “Recommended Presentation in Abbreviated Form as a Priority Application Number”:

- (i) in case of the country:
The country code and number of your priority application,
to be used for filing abroad under the Paris Convention, is
JP2000-001234
- (ii) in case of the international organization:
The organization code and number of your priority
application, to be used for filing abroad under the Paris
Convention, is EP79100953”

Q U E S T I O N N A I R E

1. (a) Does your Office/Organization comply with the provisions of paragraph 12(a) in WIPO Standard ST.10/C when presenting the application number of a patent document in the notification of the first filing?

YES ☐

NO ☒

Comments, if necessary: *Our office does not issue the notifications of the first filing as such. Instead of notifications we imprint the date of filing on the inventor's copy of the application and stick a label with an application number. Our application number format complies with "Recommended Presentation in Abbreviated Form as Priority Application Number".*

(b) If the answer was "NO", is your Office/Organization planning to implement the said paragraph 12(a) in the notifications of the first filing? If so, when?

YES ☐

NO ☒

When ?

Comments, if necessary: *Since the number of applicants in the Russian Federation filing subsequent applications for the same or related subject matter abroad in accordance with the Paris Convention does not exceed 10% we do not plan to issue the notification of the first filing in the nearest future.*
