THE HAGUE AGREEMENT CONCERNING THE INTERNATIONAL DEPOSIT OF INDUSTRIAL DESIGNS

Edition of the *International Designs Bulletin* on CD-ROM

1. At its seventeenth session, the Hague Union Assembly decided that, as from March 1999 (that is to say, with the publication of designs registered in January 1999), the publication on paper of the reproductions of international designs will cease and the current edition of the *International Designs Bulletin* will be replaced by:

(i) a monthly publication on CD-ROM including all the bibliographic data and reproductions of the designs contained in new deposits registered under the 1960 Act, on a cumulative basis; and

(ii) a monthly publication on paper including all the data contained in the present publication, with the exception of the reproductions of the designs registered under the 1960 Act, i.e., the bibliographic data of deposits registered under the 1960 and 1934 Acts and the information on renewals, prolongations, changes of ownership, changes of owner's name or address, appointments of representatives, renunciations of such appointments, renunciations of deposits, refusals and termination of protection, and corrections made to the International Register.

2. Bibliographic data of the designs contained on the CD-ROM will allow searches to be made according to the registration number, the name of the holder, the designated countries, the international classification and the article or object in which the design is intended to be incorporated.

3. The subscription price of the *International Designs Bulletin* for the year 1999 will remain at 460 Swiss francs for a full subscription (CD-ROM edition and paper edition). Moreover, a subscription for the paper edition only may be made for 115 Swiss francs. The paper edition of the *Bulletin* may be sold singly, at a price of 15 Swiss francs per issue.

4. You will find attached a subscription form for the year 1999.
