

HAGUE AGREEMENT CONCERNING THE INTERNATIONAL REGISTRATION OF INDUSTRIAL DESIGNS

Declarations Made Under Article 11(1)(b) of the 1999 Act and Rule 8(1) of the Common Regulations: Hungary

1. On May 31, 2011, the Director General of the World Intellectual Property Organization (WIPO) received from the Hungarian Intellectual Property Office (HIPO) the following declarations made by Hungary under the Geneva (1999) Act of the Hague Agreement Concerning the International Registration of Industrial Designs and the Common Regulations Under the 1999 Act and the 1960 Act of the Hague Agreement:

- the declaration referred to in Article 11(1)(b) of the 1999 Act, whereby the law of Hungary does not provide for the deferment of the publication of an industrial design. It will therefore not be possible for an applicant to request the deferment of the publication in an international application designating Hungary under the 1999 Act;
- the declaration referred to in Rule 8(1) of the Common Regulations, whereby the law of Hungary requires that an application for the protection of an industrial design be filed in the name of the creator of the industrial design. An international application designating Hungary under the 1999 Act shall contain indications concerning the identity of the creator of the industrial design, together with a statement that the latter believes himself to be the creator of the industrial design. Where, in an international application designating Hungary under the 1999 Act, the person identified as the creator is a person other than the person named as the applicant, the international application shall be accompanied by a document to the effect that it has been assigned by the person identified as the creator to the person named as the applicant.

2. These declarations will enter into force on August 31, 2011.
