2. NAME OF THE HOLDER (TRANSFEROR)²

As **recorded** in the International Register.

¹ If this request relates to a **partial** change in ownership, as provided for in item 7(b), this form may only be used to request the recording of a change in ownership for a **single** international registration.

² Where the international registration is **jointly owned** indicate the names of each joint holder as recorded in the international registration here.

3. E-MAIL ADDRESS OF THE HOLDER (TRANSFEROR) AND/OR THEIR REPRESENTATIVE³

You must indicate the e-mail address of the holder (transferor) and representative (if applicable) **only if** these addresses have not already been provided for the international registration(s) indicated in item 1 of this form. If an e-mail address has already been provided, any e-mail address indicated below will be disregarded.

(a) **E-mail address of the holder (transferor):**

(b) **E-mail address of the representative:**

³ The holder (transferor) and representative (if any) must have their own e-mail addresses on-record for each international registration they own or manage. If e-mail addresses for the holder (transferor) and representative are not currently on-record for the international registration(s) indicated in item 1, and you do not provide them in this form, this request will be irregular.

The holder (transferor) and representative must ensure that the e-mail addresses provided here are correct and must keep them up to date. To update an e-mail address on-record use "[Change holder details](#)" or "[Manage representative](#)".

When there are multiple holders (transferors), each holder (transferor) must provide their own unique e-mail address that differs from the email addresses of all other holders and of any representative.

If a representative is appointed, the e-mail address of the new holder (transferee) and of the representative must be different. If you do not indicate the e-mail address of the new holder (transferee), or it is the same as the e-mail address of the representative, you will receive an irregularity notice and delay the recording of the change in ownership. The new holder (transferee) must ensure that the e-mail address indicated here is correct and kept up to date.

Where there is more than one holder (transferee), each holder (transferee) must provide their own e-mail address, which must be different from each other and their representative, if any.
