**MADRID AGREEMENT CONCERNING THE INTERNATIONAL REGISTRATION  
OF MARKS AND PROTOCOL RELATING THERETO**

**Declaration Made Under Rule 20 *bis*(6)(a) of the Common Regulations  
Under the Madrid Agreement and Protocol: Germany**

1. In a notification addressed to the Director General of the World Intellectual Property Organization, Germany has made the declaration provided for by Rule 20*bis*(6)(a) of the Common Regulations, in accordance with which the law of Germany does not provide for the recording of trademark licenses, so that the recording in the International Register of licenses relating to an international registration of a mark has no effect in that country.
2. It follows that a holder of a license should be aware that, as far as Germany is concerned, it serves no purpose to request the recording in the International Register of a license relating to an international registration of a mark (such recording carrying no legal effect).
