### MADRID AGREEMENT AND PROTOCOL CONCERNING THE INTERNATIONAL REGISTRATION OF MARKS

#### WIPO Gazette of International Marks Available On-Line

1. As from September 1, 2005, the *WIPO Gazette of International Marks* (Gazette) is available on the WIPO website, free of charge, in addition to being available on paper or CD-ROM on a subscription basis. Each issue of the on-line edition is an electronic reproduction of the corresponding issue in the paper edition, but offers the advantage of full text search facilities. Past issues of the Gazette published in 2005 are also available on-line.
2. The Gazette, the official publication of the Madrid System, is published on paper by the International Bureau every week. It contains all relevant data on new international registrations, renewals, subsequent designations and changes and other entries affecting existing international registrations. The Gazette also contains information of general interest such as declarations and notifications made by Contracting Parties under the Agreement, the Protocol or the Regulations regarding particular requirements, the amounts of individual fees under Article 8(7) of the Protocol or information on the days on which the International Bureau is not scheduled to be open to the public.
3. The CD-ROM edition is published every four weeks and is cumulative, so that the first disc of each year contains the first four issues of the paper edition, the second disc contains the first eight issues, and so on. In addition to reproducing each issue of the paper edition in electronic form, the CD-ROM edition also includes a cumulative index, which allows simple searches to be made in one or more issues within a single year according to the name of the holder, the international registration number, any verbal element of the mark and the type of transaction published. The search result consists of a list of hits with links to the relevant issue and page of the Gazette.
4. Orders for the paper or CD-ROM editions of the Gazette may be placed at [www.wipo.int/ebookshop](http://www.wipo.int/ebookshop) or addressed to World Intellectual Property Organization, Marketing and Distribution Section, 34, chemin des Colombettes, 1211 Geneva 20 (Switzerland). It is possible to take out an annual subscription to the paper and CD-ROM editions and to buy individual issues of the paper edition.
