

C. PCT 1307

The Director General of the World Intellectual Property Organization presents his compliments to the Minister for Foreign Affairs and has the honor to invite representatives of all Permanent Missions to the United Nations Office and other International Organizations in Geneva to an informal session introducing the agenda items for discussion at the upcoming fourth session of the PCT Working Group, scheduled to take place in Geneva from June 6 to 10, 2011.

The informal briefing session will take place from 13.30 to 15.00 on Monday, May 30, 2011, in Room Uchtenhagen of the headquarters of WIPO.

The revised draft agenda for the 4th session of the PCT Working Group is available on WIPO's website at http://www.wipo.int/meetings/en/details.jsp?meeting_id=22683.

Please note that, so as to hold the session in the most efficient and cost effective manner, there will no longer be a formal adoption of the report of the session at the end of the meeting. Instead, as is the practice in most of WIPO's Member States bodies, there will be a Summary by the Chair, to be noted by the Working Group. The formal report of the session will be adopted at the next session of the Working Group.

As a result, delegates may wish to note that the meeting may not run for the full week and to seek to leave flexibility in their travel arrangements.
