## MODIFIED REQUEST AND DEMAND FORMS

### Request Form (PCT/RO/101)

The Request Form, the Notes to the request form, as well as the Notes to the fee calculation sheet (Annex to the request form), have been modified with effect from 1 July 2000.

The modified Request Form includes the following new PCT Contracting States which will have become bound by the PCT since the last revision of the form in January 2000 and have been added to Box No. V under *National Patent*: AG Antigua and Barbuda, BZ Belize, DZ Algeria and MZ Mozambique. MZ Mozambique has also been added to the list of AP ARIPO States under *Regional Patent*, following its accession to the Harare Protocol within the framework of the African Regional Industrial Property Organization (ARIPO). A modification has been made to the Notes to the request form, namely, to the Notes to Box No. V, to take into account the fact that certificates of addition are available in Algeria.

There are no changes to the Fee calculation sheet, but the Notes to the fee calculation sheet have been modified to take into account the fact that the residents and nationals (natural persons) of some of the above-mentioned new PCT Contracting States are eligible for a 75% reduction in the basic and designation fees.

The other sheets of the Request Form have not been modified except for the inclusion on each sheet of the date of reprinting.

Modified versions of the second sheet of the Request Form (which includes Box No. V) in English and French are included in this issue as white tear-out sheets for insertion in the *PCT Applicant's Guide*, Vol. I/B, Annex X. Also included in this issue are modified versions of the second sheet in German and Spanish. The inserted sheets may be photocopied and used, as from 1 July 2000, along with other sheets of the Request Form which remain unchanged.

## PRACTICAL ADVICE

### International fee: applicability of the PCT-EASY fee reduction together with the 75% reduction for applicants from certain States

Q: *I am going to file an international application, together with a co-inventor, and will, for the first time, be completing the request form using the PCT-EASY software. Filing the international application in this way will entitle us to a 200 Swiss franc reduction in the interna-*

*tional fee and, since we are both nationals and residents of India, we should also be entitled to the 75% reduction in the international fee available to applicants from certain States, including India. How do I calculate the amount of the international fee—should I make the 200 Swiss franc reduction first, and then calculate 75% of that amount, or should I calculate 75% of the international fee and deduct 200 Swiss francs from that amount?*

A: For determining the amount of the international fee (that is, the sum of the basic and designation fees) payable where the requirements of both the 200 Swiss franc reduction relating to the use of the PCT-EASY software and the 75% reduction for applicants who are natural persons and who are nationals of and reside in certain States\* are fulfilled, the 200 Swiss francs reduction (or equivalent amount in other currencies accepted by the receiving Office) should be applied first, and then the 75% reduction should be applied (see items 4 and 5 of the Schedule of Fees annexed to the PCT Regulations).

In any case, you should not need to calculate anything yourself since, when completing the PCT-EASY request using the PCT-EASY software, provided you have indicated in the contents page that the abstract is attached in electronic form, the software will automatically calculate the 200 Swiss franc reduction (or the equiva-

\* The States whose nationals/residents are entitled to the 75% fee reduction are the following: Albania, Algeria, Armenia, Azerbaijan, Belarus, Belize (from 17 June 2000), Benin, Bosnia and Herzegovina, Brazil, Bulgaria, Burkina Faso, Cameroon, Central African Republic, Chad, China, Congo, Costa Rica, Côte d'Ivoire, Croatia, Cuba, Czech Republic, Democratic People's Republic of Korea, Dominica, Estonia, Gabon, Gambia, Georgia, Ghana, Grenada, Guinea, Guinea-Bissau, Hungary, India, Indonesia, Kazakhstan, Kenya, Kyrgyzstan, Latvia, Lesotho, Liberia, Lithuania, Madagascar, Malawi, Mali, Mauritania, Mexico, Mongolia, Morocco, Mozambique, Niger, Poland, Republic of Moldova, Romania, Russian Federation, Saint Lucia, Senegal, Sierra Leone, Slovakia, South Africa, Sri Lanka, Sudan, Swaziland, Tajikistan, The former Yugoslav Republic of Macedonia, Togo, Turkey, Turkmenistan, Uganda, Ukraine, United Republic of Tanzania, Uzbekistan, Viet Nam, Yugoslavia or Zimbabwe.

lent amount in the currency accepted by the receiving Office with which you intend to file the international application), as well as the 75% reduction based on the data entered regarding types of applicants (that is, that the applicants are natural persons) and the States of nationality and residence of the applicants, and will indicate to you on the fee calculation sheet the total amount due after taking into account those reductions.

It is noted that your national receiving Office, the Indian Patent Office, accepts the filing of international applications containing requests in the PCT-EASY format. However, not all receiving Offices accept such filings. In the case where the applicant's own national receiving Office does not accept such filings, note that any applicant can file such applications with the International Bureau as receiving Office. Where applicable, some applicants can also file them with the respective regional patent Office which is a competent receiving Office for applications filed by them, that is, with the African Regional Industrial Property Organization, the Eurasian Patent Office or the European Patent Office (the *PCT Applicant's Guide*, Vol. I/A, Annex B1, indicates which receiving Offices are competent for nationals and residents of each PCT Contracting State).

It is recalled that the 75% reduction is similarly available for the confirmation fee (see Form PCT/RO/144) and for the handling fee for Chapter II, as well as for the transmittal fee charged by the International Bureau as receiving Office should you file your application with that Office.

A 75% reduction is also available for applicants who are **natural or legal** persons, and are nationals of and reside in any of the States listed in the footnote on page 7, for the search and preliminary examination fees charged by the European Patent Office as an International Searching and Preliminary Examining Authority.

For further information on the 75% fee reduction, see *PCT Newsletter* Nos. 10/1995, 11/1995 and 03/1999, and the *PCT Applicant's Guide*, Vol. I/A, para. 202, 265 and 366, as well as Annexes D (EP) and E (EP).

For further information on the requirements for obtaining the PCT-EASY fee reduction, see *PCT Newsletter* No. 12/1998 and the *PCT Applicant's Guide*, Vol. I/A, para. 202A. A list of the receiving Offices which accept international applications containing requests in the PCT-EASY format was published in *PCT Newsletter* No. 01/2000.

## PCT FEE TABLES

The following Tables show the amounts and currencies of the main PCT fees which are payable to the receiving Offices (ROs) and the International Preliminary Examining Authorities (IPEAs) during the international phase under Chapter I (Tables I(a) and I(b)) and under Chapter II (Table II). Fees which are payable only in particular circumstances are not shown; nor are details of certain reductions and refunds which may be available; such information can be found in the *PCT Applicant's Guide*, Vol. I/B, Annexes C, D and E. Note that all amounts are subject to change due to variations in the fees themselves or fluctuations in exchange rates. The total amount of the basic fee and designation fee may be reduced by CHF 200 under certain circumstances where the request is prepared using the PCT-EASY software; see footnote 2 for details. A 75% reduction in the basic fee, the supplement per sheet over 30, the designation fee and the handling fee, as well as the transmittal fee payable to the International Bureau as receiving Office, is also available to applicants from certain States; see footnote 3 for details. (Note that if both the CHF 200 reduction and the 75% reduction are applicable, the 75% reduction is calculated *after* the CHF 200 reduction.) The key to the abbreviations used and the footnotes to the Fee Tables follow Table II.

1 Extension of European patent possible.

2 May only be designated for a regional patent (the "national route" via the PCT has been closed).

Where a State can be designated for a regional patent, the two-letter code for the regional patent concerned is indicated in parentheses (AP = ARIPO patent, EA = Eurasian patent, EP = European patent, OA = OAPI patent).

### Important:

This list includes all States that have adhered to the PCT by the date shown in the heading. Any State indicated in ***bold italics*** has adhered to the PCT but was not yet bound by the PCT on the date of issue of the latest version of the request form. Where any State has adhered to but is not yet bound by the PCT, the date on which it will become bound is shown in parentheses; it cannot be designated in international applications filed before that date. If the applicant wishes to designate, for the purposes of a national patent, any State which is bound by the PCT on the date on which the international application is filed but which is not listed in the request form, he must add it in Box No. V of the request form and mark the corresponding check-box.

Applicants should always use the latest versions of the request form (PCT/RO/101) and demand form (PCT/IPEA/401), updated versions of which are normally issued twice yearly. The latest versions are dated January 2000. The forms are reproduced in Annexes X and Y, respectively, in Vol. I/B of the *PCT Applicant's Guide* (January 2000 update), and can be printed from the WIPO Internet site, in PDF format, at: <http://www.wipo.int/eng/pct/forms/index.htm>, or obtained from receiving Offices or the International Bureau, or, in the case of the demand form, also from International Preliminary Examining Authorities. For details on the updated request form, to be used as from 1 July 2000, see cover page.
