This compilation, including any further legal, textual or other comment or correction, on any of the above 11 topics sent by delegations to the WIPO Secretariat by February 29, 2012, will constitute a Committee document titled “Provisional working document containing comments on and textual suggestions towards an appropriate international legal instrument (in whatever form) on exceptions and limitations for libraries and archives,” identified as document SCCR/23/8 Prov. This document will constitute the basis for the future text-based work on the matter to be undertaken by the Committee in its 24th session.
