

Implementation of WIPO ST.27 & ST.87 by the Korean Intellectual Property Office

CWS/12 | August 16-19, 2024 | Geneva

Table of Contents

❖ **Current Status**

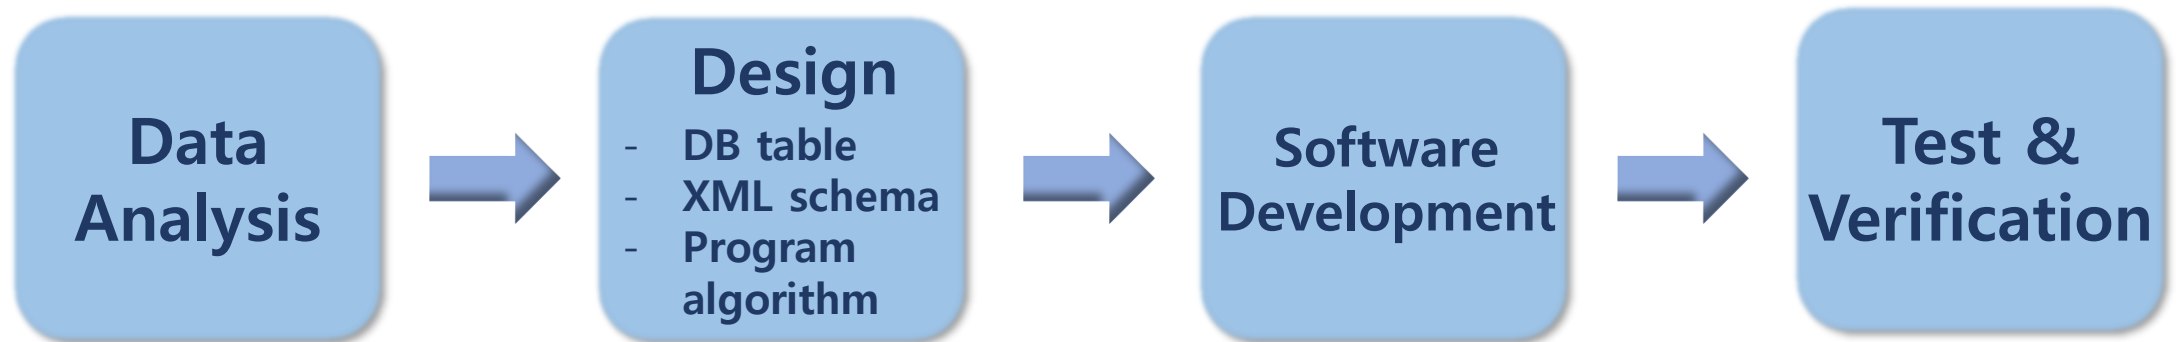

❖ **Future plan**

Current Status

- ❖ **Currently, KIPO disseminates its patent legal status data, but it is not yet fully compliant with WIPO standard ST.27.**
- ❖ **To address this, KIPO has secured a budget for FY2024 to implement WIPO standard ST.27 compliance.**
- ❖ **KIPO has completed the mapping table and is in the process of generating supplementary event data.**

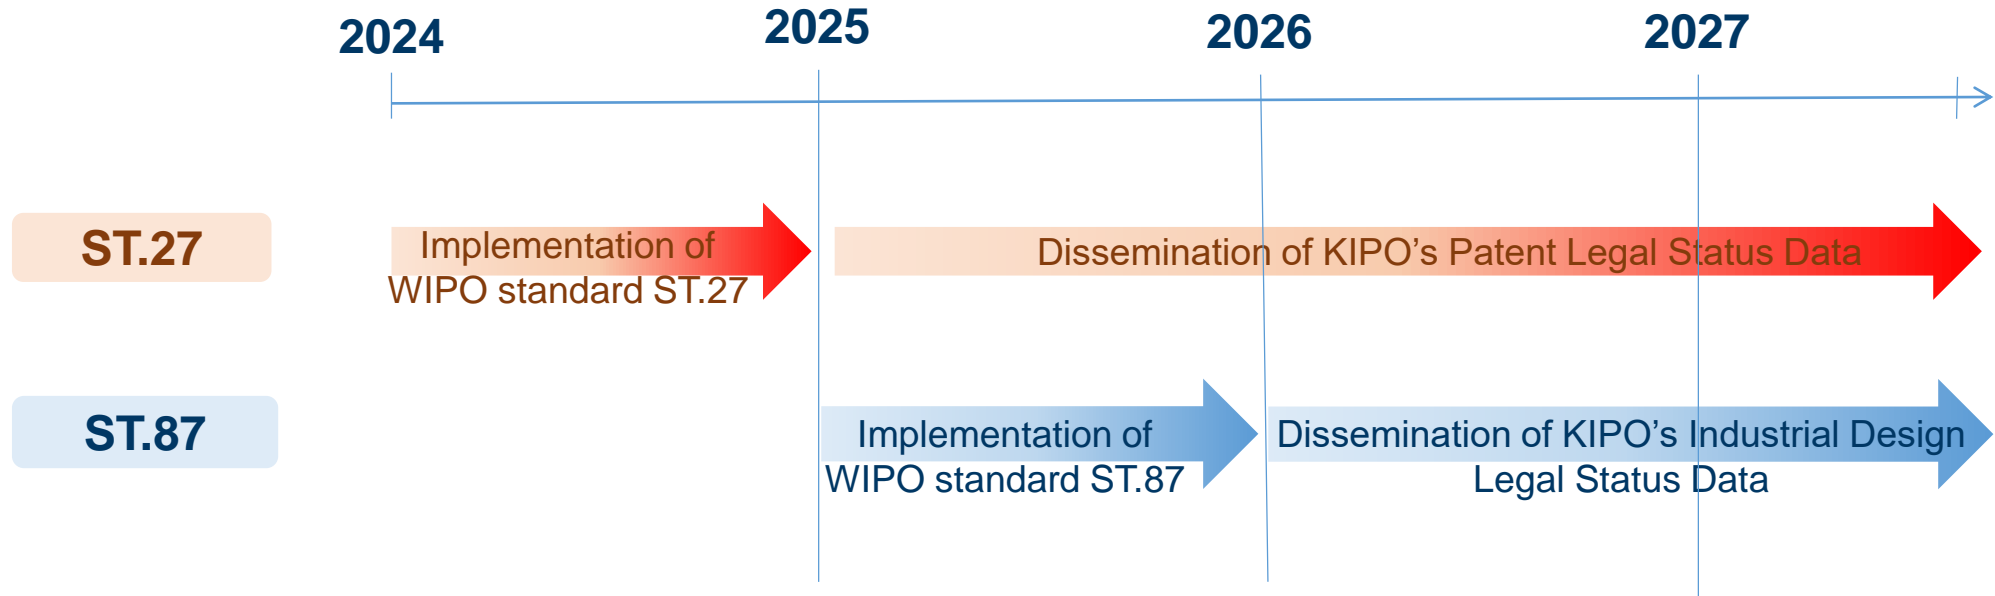

Future Plan

- ❖ KIPO's patent legal status information will transition from its own standard to WIPO standard ST.27 starting in January 2025.
- ❖ The existing system will run in parallel for several months to support KIPO's data consumers during the transition.

Future Plan

❖ Implementation Plans for WIPO Standards ST.27 & ST.87

KIPO plans to complete the implementation of WIPO Standards ST.27 and ST.87 by 2026.

Thank you!
