

Committee on WIPO Standards (CWS)

Twelfth Session
Geneva, September 16 to 19, 2024

ANNOTATED DRAFT AGENDA WITH PROPOSED TIMETABLE

Document prepared by the Secretariat

1. This information document contains an annotated draft agenda and a proposed timetable for the eleventh session of the Committee on WIPO Standards (CWS), which will be held in Geneva from September 16 to 19, 2024, in hybrid format. The Committee will meet each day from 10.00 a.m. to 1.00 p.m. and 3.00 p.m. to 6.00 p.m. (CET).
2. The document is prepared for the convenience of all participants as requested by Member States. There are two Annexes to the present document:
 - Annex I to this document contains an annotated draft agenda which was prepared on the basis of document CWS/12/1 PROV. 3; and
 - Annex II presents an indicative timetable for the twelfth session of the CWS. Taking into account the progress of the discussions and preferences expressed by delegations during the session, the Chair may propose changes to the timing of discussions on agenda items, as and when appropriate.

[Annexes follow]

ANNOTATED DRAFT AGENDA

1. Opening of the Twelfth Session

Brief description: A representative of the Director General will open the session and deliver his welcoming remarks. This will be followed by additional remarks from the Secretariat.

2. Election of two Vice-Chairs

Brief description: Two Vice-Chairs will be elected.

Invited action: The CWS will be invited to elect two Vice-Chairs, for the twelfth and thirteenth sessions of the Committee on WIPO Standards (CWS).

3. Adoption of the agenda: see document CWS/12/1 PROV. 3.

Brief description: The delegations will be invited to consider and adopt the draft agenda.

4. CWS Work Program

(a) Review of current Tasks: see document CWS/12/2

Brief description: The document summarizes the updated Work Program and Task List of the CWS for consideration at this session.

Invited action: (paragraph 11 of document CWS/12/2, which is reproduced below):

“11. The CWS is invited to:

(a) note the content of the present document;

(b) consider the Task List as presented in the Annex to the present document; and

(c) approve the Secretariat to incorporate the agreements, reached at this session in the CWS Work Program and the CWS Work Program Overview, and publish them on WIPO website as described in paragraph 10 above.”

(b) Questionnaire on the prioritization of CWS Tasks: see document CWS/12/3

Brief description: This document proposes next steps regarding the formal prioritization survey questionnaire for the CWS work program. The Secretariat considers that the results of the informal survey conducted in July 2024 was sufficient to meet the aims set out in previous sessions of the CWS.

Invited action: (paragraph 12 of document CWS/12/3, which is reproduced below):

“12. The CWS is invited to:

(a) note the content of the present document; and

(b) consider and approve the proposal for next step, as referred to in paragraphs 10 and 11 above.”

5. Progress reports on Tasks

(a) Report on Task No. 41 by the XML4IP Task Force: see document CWS/12/4

Brief description: This document provides a summary of the work conducted by the XML4IP Task Force since the last session of the CWS. This Task Force is responsible for developing and maintaining eXtensible Markup Language (XML) components that comprise WIPO Standard ST.36, ST.66 ST.86 and ST.96. The focus of development work since the last session of the CWS was to develop trademark and industrial design legal status XML schemas. Version 8.0 is planned for release on October 1, 2024, and is planned to include the final draft versions of these schemas.

Invited action: (paragraph 13 of CWS/12/4, which is reproduced below):

“13. The CWS is invited to:

(a) note the contents of the present document;

*(b) note the planned release of version 8.0 on October 1, 2024;
and*

(c) note the challenges and work plan of the XML4IP Task Force as indicated in paragraphs 11 and 12 above.”

(b) Report on Task No. 44 by the Sequence Listings Task Force: see document CWS/12/5

Brief description: This document provides a summary of the work conducted by the Sequence Listings Task Force since the last session of the CWS. Although several substantive revisions were discussed by the Task Force, there is no revision planned for WIPO Standard ST.26 at this session.

Invited action: (paragraph 15 of CWS/12/5, which is reproduced below):

“15. The CWS is invited to:

(a) note the contents of this present document in particular the proposals by the USPTO and the EPO which require substantive changes to WIPO ST.26, as referred to in paragraphs 7 and 11;

(b) discuss the survey process and scope, and potential survey questions as referred to paragraph 12 above; and

(c) the work plan of the Sequence Listings Task Force, as detailed above in paragraphs 13 and 14.”

(c) Report on Task No. 47 by the Legal Status Task Force: see document CWS/12/6

Brief description: This document provides a summary of the work conducted by the Legal Status Task Force since the last session of the CWS. This Task Force is responsible for the development and revisions of the WIPO legal status Standards ST.27, ST.61 and ST.87. Since the last session, the Legal Status Task Force has been working to improve Annex II of WIPO ST.87, resulting from its collaboration with the XML4IP Task Force to produce XML schemas to

capture industrial design legal status data. In light of these updates, the Task Force Leader also proposes revisions to WIPO Standards ST.27 and ST.61, to keep all three legal status Standards aligned.

Invited action: (paragraph 15 of CWS/12/6, which is reproduced below):

“15. The CWS is invited to note the content of this document, in particular the work plan proposed in paragraphs 9, 13 and 14 above.”

(d) Report on Task No. 50 by the Part 7 Task Force

Brief description: An oral report will be delivered by the Part 7 Task Force leader on the progress made on Task No. 50 since the last session the CWS.

(e) Report on Task No. 52 by the Public Access to Patent Information Task Force: see document CWS/12/7

Brief description: This document provides a summary of the work conducted by the Public Access to Patent Information (PAPI) Task Force since the last session of the CWS. This Task Force is responsible for Task No. 52 and reports progress made on the Task since the eleventh session of the CWS. The Task Force indicates its intention to provide a proposal to update WIPO Handbook Part 6.1 at the thirteenth session of the CWS.

Invited action: (paragraph 14 of document CWS/12/7, which is reproduced below):

“14. The CWS is invited to:

(a) note the content of this document; and

(b) note the work plan of the PAPI Task Force as referred to in paragraph 13 above.”

(f) Report on Task No. 55 by the Name Standardization Task Force: see document CWS/12/8

Brief description: This document provides a summary of the work conducted by the Name Standardization Task Force since the last session of the CWS. This Task Force is responsible for developing a new WIPO Standard assisting Intellectual Property Offices (IPOs) in providing better 'quality at source' in relation to customer names. The Task Force has completed a final proposal for a recommendation on the process of data cleaning of customer names and submitted it for consideration at this session of the CWS.

Invited action (paragraph 15 of document CWS/12/8, which is reproduced below):

“15. The CWS is invited to:

(a) note the content of this document, in particular the progress made on the final draft recommendations for the data cleaning of names; and

(b) consider and approve the proposed new description of Task No. 55 as referred to in paragraph 13 above.”

(g) Report on Task No. 56 and 64 by the API Task Force: see document CWS/12/9

Brief description: This document provides a summary of the work conducted by the API Task Force since the last session of the CWS. The Task Force meets quarterly to discuss proposals for revisions and support for implementation of the Standards which are managed by the API Task Force: WIPO Standard ST.90 on Web Application Programming Interfaces (API) and WIPO Standard ST.97 on JavaScript Object Notation (JSON). The API Task Force supported the International Bureau to develop and launch the API Catalog for IP in July 2024.

Invited action: (paragraph 29 of document CWS/12/9 Rev., which is reproduced below):

“29. The CWS is invited to:

(a) note the content of the present document;

(b) note the availability of the API Catalog for IP, and encourage its Members and Observers to participate in the API Catalog by responding to the circular as referred to in paragraph 12 above;

(c) note the definition of the compatibility matrix Excel template to evaluate the compliance rating with ST.90, as indicated in paragraph 15 above;

(d) comment on the potential improvements to WIPO ST.90, as referred to in paragraph 15 above;

(e) approve the proposed revision to the description of Task No. 56 as referred to in paragraph 16 above;

(f) test the XML2JSON transformation tool as indicated above in paragraph 19; and

(g) note the work plan of the API Task Force, as indicated in paragraphs 23 to 28 above.”

(h) Report on Task No. 58 by the ICT Strategy Task Force: see document CWS/12/10

Brief description: This document provides a summary of the work conducted by the ICT Strategy Task Force since the last session of the CWS. This Task Force is finalizing a set of ICT Recommendations related to Intellectual Property (IP) administration for consideration and implementation by IPOs. Since the last session it has prepared a final proposal for a set of 10 recommendations. If the set of recommendations is adopted at this session of the CWS, the Task Force proposes to revise the description of Task No. 58.

Invited action: (paragraph 18 of document CWS/12/10, which is reproduced below):

“18. The CWS is invited to:

- (a) note the content of the present document;*
- (b) consider and approve the proposed new description of Task No. 58 as referred to in paragraph 16 above; and*
- (c) note the work plan of the ICT Task Force as referred to in paragraphs 16 and 17 above.”*

(i) Report on Task No.59 by the Blockchain Task Force: see document CWS/12/11

Brief description: This document provides a summary of the work conducted by the Blockchain Task Force since the last session of the CWS. This Task Force is responsible for Task No. 59, which relates in part to the development of a new WIPO standard relating to blockchain technologies. The Task Force reports progress on its activities, including working on further improving the draft standard since the last session of the CWS.

Invited action: (paragraph 10 of CWS/12/11, which is reproduced below):

“10. The CWS is invited to:

- (a) note the content of the present document; and*
- (b) note the proposed workplan for the Blockchain Task Force, as indicated in paragraph 9 above.”*

(j) Report on Task No. 61 by the 3D Task Force: see document CWS/12/12

Brief description: This document provides a summary of the work conducted by the 3D Task Force since the last session of the CWS. Since the last session of the CWS, the Task Force has completed an analysis of the WIPO Standard ST.91 survey results and is proposing a revision to WIPO ST.91.

Invited action: (paragraph 11 of document CWS/12/12, which is reproduced below):

“11. The CWS is invited to:

- (a) note the content of this document; and*
- (b) note the proposed work plan of the 3D Task Force in paragraph 12 above.”*

(k) Report on Task No. 62, 63 and No. 65 by the Digital Transformation Task Force:
see document CWS/12/13

Brief description: This document provides a summary of the work conducted by the Digital Transformation Task Force since the last session of the CWS. This Task force conducts activities related to Tasks No. 62, No. 63 and No. 65 and reports its activities since the last session of the CWS. The Digital Transformation Task Force is presenting a new draft priority document package draft standard for consideration and adoption at this session.

Invited action: (paragraph 24 of document CWS/12/13, which is reproduced below):

“24. The CWS is invited to:

(a) note the content of the present document; and

(b) encourage its Members to provide feedback on their use of DOCX2XML converters as referred to in paragraph 12 above.”

(l) Report on Task No.66 by the International Bureau: see document CWS/12/14

Brief description: This document provides a summary of the work conducted by the International Bureau regarding Task No. 66 since the last session of the CWS. The International Bureau reports its efforts to produce a series of clinics to support IPOs, at various stages of authoring their WIPO ST.37-compliant authority file.

Invited action: (paragraph 11 of document CWS/12/14, which is reproduced below):

“11. The CWS is invited to:

(a) note the content of the present document, in particular the challenges outlined in paragraph 9; and

(b) encourage IP offices to participate in the clinics being held by the International Bureau after performing the self-assessment, as indicated in paragraph 10 above.”

6. Development of WIPO Standards

(a) Proposal for a new WIPO Standard on the data package format for the electronic exchange of priority documents: see document CWS/12/15

Brief description: This document captures a proposal by the Digital Transformation Task Force for a new WIPO standard on the data package format for the electronic exchange of priority documents, for consideration and adoption at the twelfth session of the CWS.

Brief description: IPOs and the International Bureau will present on their experiences implementing WIPO Standard ST.26

(b) WIPO Standard ST.37

Brief description: IPOs and the International Bureau will present on their experiences implementing WIPO Standard ST.37

(c) WIPO Legal Status Standards: ST.27, ST.61 and ST.87

Brief description: IPOs and the International Bureau will present on their experiences implementing Legal Status Standards: WIPO Standards ST.27, ST.61 and ST.87

(d) WIPO Standard ST.90

Brief description: IPOs and the International Bureau will present on their experiences implementing WIPO Standard ST.90

8. Policies and activities relating to intellectual property (IP) data, information system and information services

(a) Recommendation on Blockchain Applications in the United Nations system by the Joint Inspection Unit: see document CWS/12/27

Brief description: This document by the International Bureau shares the status of its implementation of recommendations regarding the use of blockchain applications in the UN system, made in a report by the Joint Inspection Unit of the United Nations System (JIU). The International Bureau also invites the CWS to encourage the IPOs to consider ‘Recommendation 6’ and implement it, where applicable.

Invited action: (paragraph 11 of document CWS/12/27, which is reproduced below):

“11. The CWS is invited to:

(a) note the contents of the present document; and

(b) note Recommendation 6 and encourage IPOs to implement it as referred in paragraph 10 above.”

(b) Recommendations on ICT and IP administration: see document CWS12/22

Brief description: This document presents a set of revised draft recommendations on Information Communication Technology (ICT) and IP administration, as improved by the ICT Strategy Task Force, for consideration and adoption by the CWS. These recommendations should be considered for implementation by IPOs. IPOs will be invited to share their ICT strategy or their activities relating to the recommendations.

Invited action: (paragraph 11 of document CWS/12/22, which is reproduced below):

“11. The CWS is invited to:

- (a) note the content of the present document and the Annex to the present document;*
- (b) consider and adopt the set of recommendations, which is reproduced in the Annex to the present document;*
- (c) agree to report the set of recommendations to WIPO General Assembly in 2025 as proposed in paragraph 10 above; and*
- (d) encourage its Members to implement the set of recommendations and request its Members share their plan or experience in implementing those recommendations at the next session of the CWS as referred to in paragraph 10 above.”*

(c) Proposal for recommendations on data exchange framework and platform: see document CWS/12/23

Brief description: This document presents a proposal, made jointly by the Delegations of Japan and Saudi Arabia after the outcomes of the eleventh session of the CWS, to create a new CWS Task and associated Task Force, so discussions can commence on how to improve the ability of an Office to exchange Intellectual Property (IP) data.

Invited action: (paragraph 19 of document CWS/12/23, which is reproduced below):

“19. The CWS is invited to:

- (a) note the contents of this document and its Annexes;*
- (b) consider and approve the proposal concerning the creation of Task No. 67 as a priority for CWS work program, as referred to in paragraph 15 above, and in Annex II; and*
- (c) consider and approve the proposed description of Task no. 67, as referred to in paragraph 16 above; and*
- (d) consider and approve the establishment of the new Task Force with designated Task Force co-leaders, as referred to in paragraph 17, above, and in Annex II to the present document; and*
