COMITÉ DE COORDINATION INTERUNIONS, CINQUIÈME SESSION INTERUNION COORDINATION COMMITTEE, FIFTH SESSION

(Genève, 18-21 décembre 1967)
(Geneva, December 18 to 21, 1967)

MATTERS CONCERNING THE CONVENTION FOR THE PROTECTION OF NEW VARIETIES OF PLANTS

-
1. It is recalled that, at its last session (1966), the Interunion Coordination Committee examined the matter of technical and administrative cooperation between the Union for the Protection of New Varieties of Plants and the other Unions administered by BIRPI (see documents CCIU/IV/7 and CCIU/IV/13, paragraphs 15 and 16).
 2. The same matter appears on the draft agenda of the next session (1967) of the Interunion Coordination Committee.
 3. As the exchanges of views on this subject are still in process at the time of the distribution of the first preparatory documents for the forthcoming session of the Interunion Coordination Committee, a report on these exchanges of views will be drawn up in due course and will be sent to the member countries in October or November 1967.
