

WIPO Roundtable on Technical Assistance and Capacity Building

Theme 2: Planning and Design

**Geneva
May 12, 2017**

Legislative Advice

- Trademarks
- Industrial Designs
- Geographical Indications

Evolution

- More nimble
- More interactive
- More responsive to the real local needs

Planning

- Trigger: written request
 - Formal letter
 - Email communication
- Initial dialogue (various formats possible)
 - Policy background
 - Objectives
 - Target dates
- Dialogue drives planning
 - How urgent?
 - Which part is most urgent?
 - Prioritization based on needs rather than sequential

Design

- Type of review
 - Paris and TRIPS
 - Internal coherence
 - Options available
 - Only if requested: beyond minimum standards
- Typical output structure
 - Policy choices
 - Compliance with international norms
 - Other comments
- In some cases: economic impact analysis
- Continuing dialogue
 - More required
