Document prepared by the Secretariat

1. The Standing Committee on the Law of Patents (SCP), at its twenty-ninth session held in Geneva from December 3 to 6, 2018, agreed that the information concerning certain aspects of national/regional patent laws, published on the SCP electronic forum website, would be updated based on input received from Member States.

If Member States and regional patent offices so wish, under agenda item 5 entitled "Report on the international patent system: Certain aspects of national/regional patent laws", they may share information on recent developments of national/regional patent laws with respect to the aspects mentioned above or various aspects of patent law in general.
