Re: New Version of WIPO Standard ST.35 (Recommended Standard Format for Data Exchange of Mixed-Mode Published Patent Document Information on Reel-to-reel and IBM 3480/90 Cartridge Tapes)

Madam,
Sir,

The International Bureau circulated, under cover of circular C. SCIT 2462, a revised draft of the above and sought approval from Member States. No objections were received and the new version was subsequently adopted by the SCIT Plenary at its meeting on December 8 to 10, 1999.

./. A copy of the new version of the Standard is attached and will also be made available on the Information Technologies (SCIT) area of the WIPO Web site under the heading "WIPO Standards and Other Documentation". The new version may be used with effect from January 1, 2000.

Sincerely yours,
