(Publication No. 208 (R)), Updating pages, September 1999 –

Madam,
Sir,

I have pleasure in informing you that the International Bureau has published a set of loose-leaf updating pages for the Russian version of the *Handbook on Industrial Property Information and Documentation* (WIPO Standards). A free-of-charge copy of the said set of updating pages is being sent herewith to your Office, together with instructions for the updating.

This update is the result of the cooperation between WIPO and the Russian Agency for Patents and Trademarks, which prepared the translation of the revised WIPO Standards into Russian.

Additional copies of the updating pages in Russian may be ordered, at the discounted price of 40 Swiss francs, from the WIPO Marketing and Distribution Section, 34, Chemin des Colombettes, 1211 Geneva 20, Switzerland. Copies of the complete Handbook in Russian (Volumes I and II), including this update, are available at the discounted price of 80 Swiss francs.

Please note that the International Bureau will notify you shortly of the move from paper to electronic publication of the WIPO Handbook.

Sincerely yours,
