Dear Mr. Wittig,

The Belarus Patent Office welcomes the draft reports of the fourth Plenary session of the Standing Committee on Information Technologies and the second session of the SCIT Working Groups which were held in Geneva from December 6 to 10, 1999 and would like to mark their clearness, conciseness and result orientation.

Realizing the progress in the field of development of information technologies reached since the creation of the SCIT we would like to congratulate with and applaud the excellent work done by the International Bureau and the members of the SCIT in developing and implementing the information technology strategy.

With all the best regards,

Sincerely yours,

Anatoly Gleb
