This Circular is addressed to your Office in its capacity as a receiving Office (RO), International Searching Authority (ISA), International Preliminary Examining Authority (IPEA) and/or designated or elected Office (DO/EO) under the Patent Cooperation Treaty (PCT). It concerns the results of the “*PCT Office Feedback Survey 2022 - 2023*” which was conducted in April 2024, using an on-line questionnaire sent to your Office by means of circular PCT C. 1662 dated February 7, 2024, to assess the level of satisfaction of Offices with the PCT services provided by the International Bureau of the World Intellectual Property Organization (WIPO).

The International Bureau of WIPO has prepared a report analyzing the results of the Survey. This report is available on the WIPO PCT website and is directly accessible under the “PCT Office Feedback Survey” web page at:
